Amendment and Petition Under 37 C.F.R. § 1.78

MAIL STOP PETITION

Commissioner for Patent
P.O. Box 1450
Alexandria, VA 22313-1450

Sir,

Applicants respectfully petition for acceptance of an unintentionally delayed claim of the benefit of the below recited applications. The entire relationship between each application was not fully recited as clarified in the February 24, 2003 notice.

The original filing receipt properly indicates that the above captioned application is a continuation-in-part application of U.S. application 09/642,820 which is now U.S. Patent 6,716,452. The Preliminary Amendment filed on December 26, 2001 added priority to additional provisional applications to the Cross-Referenced and Related Applications section of the application, however the amendment inadvertently failed to include reference to U.S. application 09/642,820.

Additionally, Applicants have made multiple requests for corrected filing receipts and have yet to receive a correct filing receipt from the U.S.P.T.O. including all the applications to which priority is claimed. Applicants appreciate the complex nature of the priority claims in the present case but respectfully request an updated filing receipt upon acceptance of the present petition.

Applicants submit herewith the requisite petition fee of \$1,330.00 pursuant to 37 C.F.R. § 1.17(t). Applicants submit that the entire delay between the date the claim was due under 37 06/21/2004 SSANDARA 00000012 09933708

C.F.R. § 1.78(a)(2) and the date the claim was filed was unintentional. Please amend the specification as set forth below on pages 3-12 as follows.
